The National Institute of Optics is accepting applications for n. 1 post graduate researcher position in the field of "Physics" on the following topic: "Laser-driven particle acceleration for advanced applications" ;

The position will be granted for 12 months.

The annual gross salary is € 19.367, paid in twelve monthly installments.

The selection procedure is carried on the basis of relevant qualifications including, degrees and awards obtained, postgraduate activity, scientific activity and publications etc.. (up to 70/100 points) and on the basis of an interview (up to 30/100 points).

The research grant cannot be cumulated with scholarships provided by the CNR or other organizations and research institutions, except those granted by the CNR or national or foreign institutions which aim to support the research activities of grant holders with visiting periods abroad. Successful applicants may attend PhD courses, without scholarship.

Requirements:

- a) Degree in Physics or Engineering;
- c) Fluency in written and oral English;
- d) Basic knowledge of Italian language (for foreign applicants only);

Please send a CV of professional and scientific activities, list of all papers and qualifications, useful for the evaluation.

All qualifications obtained abroad (Master degree, Ph.D Degree and any other qualification) shall be previously recognized in accordance with current Italian legislation (information on the website of the Ministry of University and Scientific Research: www.miur.it).

The equivalence of diplomas obtained abroad who have not already been recognized in Italy with the expected formal procedure above, will be evaluated for the only purpose of the present selection, by the Selection Committee.

How to apply: Applications exclusively can be submitted electronically.

For non- Italian applicants, please submit your application to: ino@pec.cnr.it,

For Italian applicants please, submit your application by your certified email to protocollo.ino@pec.cnr.it

Application forms can be found in the following link:
