

New SPIE Fellows named, education grants awarded

Five new SPIE Fellows were named at a luncheon on the last day of the Photonics Europe symposium, and honored for their significant scientific and technical contributions in optics, photonics, and imaging. The five are among a total of 72 new Fellows named by SPIE this year, and include:

New SPIE Fellows, from left, Patrick Meyrueis, Université Louis Pasteur, France; Pietro Ferraro, CNR-INOVA, Italy; Allan Boardman, University of Salford, UK; Carlos Ferreira, Universitat de València, Spain; and Kent Choquette, University of Illinois at Urbana-Champaign, USA.
